

Thank you for choosing Dawn K Moyer Photography & McAlister Photoworks for your photographic needs. My goal is to capture the loving relationship your family shares. I want you to be yourself & have fun, so I can create a more memorable portrait.

CLOTHING-wearing complementary colors & styles of clothing will enhance the look of your family portrait. Patterned or printed materials tend to be distracting. Dressing head to toe is encouraged as feet may show.

PROPS-I invite you to include props or your pet, anything that may capture your family's shared interest or personalities.

POLICIES-If you are more than 15 minutes late for your appointment, you will have to re-schedule for a later time.

RESHOOTS-will only happen if there is a studio or camera malfunction. Kids who are unhappy, hair out of place, or choice of clothing is not an excuse for reshoots.

SHIPPING-a charge of \$4.50-\$100.00 will be assessed depending on weight and destination.

OK, enough of rules, remember to just relax, have fun and I'll do the rest.
